

# Amina - MENA

## Praise Points

- Thankful the Easter service went well. Up to 80 people came from different groups. God is uniting people and touching hearts
- Awatif's mother was healed – her vision was failing and now it has been miraculously restored. She is not yet a believer but can't stop singing songs of praise to God.
- Women's conferences are touching lives and women are being healed and restored. New forgiveness and unity is coming.
- Pentecost service saw people coming from 10 different cities to celebrate together.
- Amina spoke at a conference in Turkey where 350 women from the region came. They have all experienced persecution and challenges, but were blessed, and are being healed and restored.
- Amina has a Genesis and gardening project in her garden. As the women get rid of the rocks and prepare the physical ground, God is preparing their hearts. They are believing for a harvest of potatoes

## Prayer points

- Provision for a place to meet, ( secure, large garden and lounge room, working kitchen in place with good public transport).
- New School, café and prayer houses to open. Praying for God's timing, the right people and divine provision is needed.
- Church to grow and people to be disciplined.
- Leaders to lead with Godly character and integrity. Bring unity and healing.
