

Indigenous Ministry - Ps Will Dumas

Goals

- Continuing to mentor and develop existing leaders nation wide
- Building relationships in new communities to expand influence
- Develop a leadership team to be able to help create plans for next year
- Advocate for Indigenous Christians voice in leadership decisions
- Create opportunities for indigenous Christians to share their perspective (have an indigenous expression of church, worship etc)

Praise Points

- Ps Will's recent trips have brought a fresh touch from the Holy Spirit.
- New connections and deeper and intimate connections.
- Leaders/ elders are hungry and want more spiritual food. They are open to teaching and support.
- Many miracles happening in community that is stirring peoples faith and they are sharing these testimonies with others.

During July, Ps Will went to Darwin and Katherine for a Northern Territory missions trip. He visited many communities including Beswick, Bagan and Baggot. In each community, the Holy Spirit fell in a powerful way, the ministry time felt sweet & intimate, people were healed and saved.

In Baggot, there were many amazing miracles, God healed people of chronic diseases.

- One lady asked for healing from internal bleeding. She came back the following day after seeing her doctor, who said the bleeding stopped.
- Lady in a wheelchair for 25 years was healed and able to walk and stand independently

Prayer points:

- Protection from spiritual attacks and witchcraft
- God would raise up leaders for this next season (renew and equip them for ministry)
- Wisdom and discernment for leaders in the community
- God to continue to flow in the power of Holy Spirit, so there are more miracles, salvations.
- Provision for transport, scholarships, training for leaders and ministers
- Healing for people who have been hurt, rejected and disempowered in community. For God to heal hearts.
