

# Your Dream - School Ministry

## Praise points

As we continue to support workers in schools, we are experiencing high tenure amongst our team, which in turn creates consistency in supporting students and school community.

## Prayer points

- 2024 has had challenges and growth in the organisation.
- Please continue to pray for continued wisdom for our team.
- As we lead up to Christmas, please pray for our efforts in supporting families with food hampers and connecting our workers with churches and local community groups.

## Plans

Leading up to Christmas 2024, we have started preparations contacting local churches and community groups to help source food hampers for families in need. This is a great opportunity to help support families in school communities as well as showing love and kindness during the Christmas period.

## Programs

### SPARC

SPARC is an eight-week social and emotional student small group program that focuses on five key areas. The program encourages students to dream big, set goals, and work in teams, and equips students with basic fundamental skills to navigate life's various challenges.

### Hampers

What started as a way to help support those in need at Christmas soon became another way our workers are able to engage and support families within school communities on a regular basis.

## “helping young people live their dreams”

Your Dream celebrated 20 years of helping young people in 2023! Your Dream Schools Program is registered in NSW, VIC, SE QLD, SA & NT and exists to help young people overcome life challenges, and build resilience so they can live their dreams. Our services and programs include School Chaplains, Student Wellbeing Workers, seminar programs, and student small group programs.

### **Praise Points**

Our schools were successful in their applications for National Student Wellbeing funding for the next 4 years 2024-2027. We had 50 brand new workers and our Christmas Operation hamper drop saw over 1200 hampers delivered to families through our chaplains and wellbeing workers, the generosity of local churches like LifeSource partnered with us to provide hampers.

### **Goals for 2024**

Continue to strengthen worker networks and build deeper connection in school communities. For workers to be further equipped with professional development tailored to their role in schools. We are believing for influence and favour with government and school executive staff.

### **Prayer points 2024**

- Open doors in school communities and for churches willing to partner with Your Dream School Programs to meet basic wellbeing needs of students, families and staff.
- To advocate for chaplaincy in schools and the value of what workers bring to a school community.
- To develop our key team (administration and support co-ordinators for school-based staff)
